"A GROWING NEWSPAPER ☆ IN A GROWING COMMUNITY"

Volume 51, Number 16.

CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA

Thursday, March 7, 1946.

Campbell High school's new heiress, sophomore Barbara Clark Medlock, who will receive half interest in a \$50,000 estate, is the granddaughter of Mr. and Mrs. Mark Purmort, well-known in Campbell. Mrs. Purmort describes her granddaughter as quiet and shy. "All she has mentioned in her plans is the purchase of a piano," Mrs. Purmort said. "There will be a lot deducted from the total, too, for taxes and lawyers' fees". Maybe there'll be enough left to buy an after-school snack ... I hope.

The L. E. Garcia home is a wild place these days for Robert Garcia returned from a recent trip to the Philippines with a spider monkey, named Joe, whose antics can never be prophesied. Robert, who served in the Merchant Marine aboard the S. S. James Oliver, intended the monkey as a present for the family, but something tells me they aren't too happy with it.

Wondrous and imaginative were the articles brought back to their den by members of Cub Scout Pack from their scavenger hunt and filled with contentment were those lucky citizens asked to sign a paper saying: "Signature of an important man in the town".

Sunday was a perfect day for kite flying and young and old were participating. Like electric trains, the kites seemed to attract the fathers and many a child could be seen wistfully sitting on the porch while father and the neighbors had a great time.

Bill Maderis' market is scheduled to open soon—as soon as some long-awaited material arrives.

The weather certainly is helping Campbell's new ice business. A few more days like yesterday and everyone's thoughts will turn to ice.

Like mushrooms, the new thermometers and barometers, with Campbell Theater ads and Campbell merchants' advertising, have sprung up all over town. Our favorite is the one belonging to Mercer Electric with a large ad for electrical appliances which has been placed on Joseph Agostinos' hardware store. Wonder if Mercers' will advertise his appliances for him next week?

Did you hear about Jim Dent at the Country Woman's club dinner? Seems he was chosen as model for a hat which William Henley was to create out of assorted odds and ends, included in which was a candle. Henley, after outdoing John-Fredericks with scarves, feathers, ribbons, funnels, pussywillows and what have you placed the candle in the center of the creation and lighted it. The effect was colossal to behold but some wag said he didn't think it looked very good to have the high school principal "lit up".

Airplane Night

Pack 9 of the Cub Scouts will meet at the Congregational church Friday evening at 7:30. A demonstration of the building of model airplanes will be given and the boys are urged to bring any models they may have built. Any problems they have in connection with the construction will be discussed. Parents are also invited to attend.

Baby Daughter Born to Pattons

Mr. and Mrs. Ernest M. Patton, Harriet Ave., are receiving congratulations on the arrival of a daughter, born Feb. 27 at O'Connor Sanitarium. The new baby has been named Marianne Angel.

Every week a name will be drawn from our list of new subscribers and printed in the classified ad column. The person whose name appears there may receive two free passes to the Campbell Theater by calling at the Press Office. Look and see if your name is there!

Vandals Enter School Twice

Twice within the space of one week, vandals entered the Campbell Elementary school, stealing only 95 cents in change, but causing considerable damage to the building and equipment.

Principal William Henley reported that during the first entry five gallons of ink had been splashed over the walls and hallways with damage also to desks.

On their second visit the vandals damaged the school nurse's office and first aid room. Students' desks were turned over and teachers' desks were rifled although nothing was reported missing but the 95 cents in change.

Deputies from the sheriff's office have been assigned to the case and are working toward the discovery of the vandals.

Kiwanis Hear Roger R. Williams

With Budd Levenberg as chairman, Campbell Kiwanis club heard Roger R. Williams, plant superintendent of the International Business Machine Co. of San Jose, describe the history of the I. B. M. organization at its regular Tuesday luncheon.

Guests present included: LeRoy Wright, Cecil Spotswood, Jack Adams and Jake Jacobson of the Los Gatos club; Joseph McKinnon and Harold Jepson of San Jose; the weekly high school guest, Miss Gloria Speciale; Bill Week's guest, Lou Schrepel, Pacific Coast manager of American National Insurance Co.; and Mrs. Dave Sanders, pianist.

At next week's meeting, the Associated Oil Co. will show outstanding pictures of the 1945 football games. Carl Field will be chairman.

Klassens Building

Mr. and Mrs. C. P. Klassen are building a home on Bland Ave. The foundation has already been laid and work is progressing rapidly.

Campbell To Incorporate As A City In Near Future?

Facts To Be Presented To People

A fact-finding committee on incorporation, appointed some time ago by the Chamber of Commerce, has been at work gathering information concerning all aspects of incorporation and will soon have this data ready for publication in The Press.

Composed of ten impartial members, headed by Chairman Joe Dahl, the committee is getting ready statistics regarding the expenditures incurred under incorporation, the income that may be expected and the legal requirements necessary for the step.

This information has been compiled largely through correspondence with other communities of similar size and conditions.

Planned as an event of the near future, is a large meeting at which an authoritative speaker will discuss the subject and answer questions. Everyone will be invited to attend and express opinions.

One of the first steps preliminary to incorporation is the signing of a petition, which, to be valid, must be signed by more than 25 per cent of the property owners and these signatures must represent over 25 per cent of the total assessed valuation of the real estate within the boundaries of the proposed city.

There will also, in the event of a desire to incorporate, have to be a decision as to whether it would be a fifth or sixth class city. In accordance with Campbell's size, the sixth class would be most likely and would call for

Founder Of "Press" School Boards Dies At Pacific City Meet March 20

Elgin C. Hurlbert, the founder of The Campbell Press, died quietly in his sleep at his Pacific Grove home Monday morning, according to word received by his brother-in-law, Judge John D. Blaine.

Hurlbert started The Campbell Press, then known as The Campbell Weekly Visitor, on June 7, 1895, in partnership with Frank Blaine. He later sold his interest in the paper and moved to Pacific Grove where he owned the paper there for a few years, then served as postmaster for several years. He resigned last year after 14 years as city clerk.

In the latter part of November Hurlbert visited in Campbell at the home of Judge and Mrs. John Blaine on his return from a trip to Nova Scotia. A charter member of Old Settlers' Day, he renewed many old acquaintances while here.

Funeral services were conducted in Pacific Grove Tuesday. Hurlbert is survived by two children, Mrs. Elmira Dyke of Pacific Grove, and Com. Elgin Blaine Hurlbert, now serving in England aboard the cruiser Helena, and four grandchildren.

Large Group Going to Monterey

The Footlighters, accompanied by a large group of friends, will journey to Monterey Saturday to witness a performance of the Troupers of the Gold Coast in "Under the Gaslight", which was at one time put on here by the Footlighters.

A bus has been chartered to take the theater devotees and will leave late in the afternoon with a stop planned for a picnic lunch en route. Jack Murdock has made the arrangements for the excursion.

New Campbell Residents

Mr. and Mrs. Henry Beil have purchased the Pruett home on Wedgewood Ave., and are now at home there. Although originally from Wisconsin, the Beils have been living in Mason, Arizona, for the past two years.

School Boards Meet March 20

Wednesday, March 20, at 8 p. m. is the time set for the joint meeting of all school boards included in the area of the High School Consolidation. The meeting, which will include elementary school boards of Campbell, Cambrian, Union and Moreland, will be held at the Campbell Union High school.

Joseph V. Gomes, secretary of the Campbell Union High school board, has called the meeting for the purpose of discussing problems which have arisen from the rapid growth of average daily attendance in the elementary schools that feed the high school. This increase is more than 50 per cent in five years.

Some of the problems to be discussed are school housing, transportation and finance.

Chamber Members Announced

Martin S. Walsh, secretary of the Chamber of Commerce, reports that to date 24 members have joined the Chamber for 1946, and are members in good standing. They are: Herbert Shadle, Gene Hodges, Rex Fuller, George Arledge, Wilbur Mitchell, Walter Silberbauer, Rachel Spradling, Campbell Press, Horace Alford, Fish Auto Repair, Dan Clark, Joseph Agostinho, Dave Rutherford, Byron Botts, DiMaria Shoe Shop, Campbell Cleaners, Taste Good Bakery, Campbell Pharmacy, Tony Rafanti, Campbell Water Co., Nelson Grain Co., Blue Bell Cafe, Golden Rule Store, Martin S. Walsh.

Walsh says: "The chamber is desirous of having every business firm and interested resident of Campbell join the Chamber of Commerce and attend the meetings."

Red Cross Drive Under Way

Mrs. H. C. Cousins, director of the Red Cross drive in Campbell has organized her group of workers and announces that within the next two weeks, every home in Campbell will be visited by solicitor seeking funds for the Red Cross to use in helping families of veterans and servicemen overseas and at home.

The men and women doing this house to house canvassing are volunteer workers, giving their time without recompense. Mrs. Cousins' list includes: Mesdames (L. Ackerman, John Alameda, Gusie Baker, H. Barton, C. C. Byrne Dean Chamberlin, J. W. Corey, E. B. Enderton, Fred Larson, Etha Lanphear, Ruth Livingston, Everett Nelson, R. C. Page, Cecil Schad, Harold Shumway, Walter Silberbauer, W. B. Whitmore, E. Williams; the Misses Jean Currie, Margaret Currie, Mary Falinger, Jean Jensen; Mr. and Mrs. Bill Weeks; and the Messrs. Carbone, H. M. Shadle and H. Wiesendanger. The County Hospital contributions are being made under the chairmanship of Mr. Opal Evans.

Anyone wishing to contact Mr. Cousins may reach her at Campbell 2087 or Campbell 3430.

Building Permits

Among those receiving their building permits are L. A. Clay with a permit for a house at 4 Rosemary Lane; J. D. Wagoner also with a house-building permit on Campbell Creek; and John Fischer has received a permit for a house on Bland Ave.

Clara Beebe Baldwin Ill

Clara Beebe Baldwin, contributing poetess to The Press, has been ill for the past two weeks and still unable to leave her home.

Three Contestants To Enter Race For Constable

Ethan Lanphear, Campbell constable, who is running for re-election in the June primary election, will be contested by Harry D. Evans, former Campbell constable, and L. "Dad" Lee.

Evans was elected constable in 1938 and was called into the service in 1940. He served five years in the Navy as Chief Commissary Steward, and was in the South Pacific for over three years. The balance of his service was spent at Sampson, New York, a training station.

Drunk Cases Predominate

Justice of the Peace John Blaine's docket reveals that "drunk in the county" led charges filed in Campbell Justice Court for the month of February. There were five of these cases, with fines ranging from \$10 to \$25.

There were two "drunk driving" charges. Settlement of both of these cases is still pending. One defendant demanded a jury trial, which may or may not materialize.

Minor traffic cases were few, only three. Two were for "no arterial stop", and one was for "double parking". All three drew fines. Since there are dozens of double parking instances in Campbell daily, the one driver caught complained of unfair treatment. He admitted, however, that he had double parked many times without being arrested.

District Attorney Leonard R. Avilla issues a monthly bulletin of Santa Clara County criminal trials. Thus far Campbell Justice Court has not been mentioned. It is customary to plead guilty here, according to Justice of the Peace, John Blaine.

Since his return to civilian life, Evans, who lives at 108 Harrison, has been serving as night watchman. He says, "If elected I believe that Campbell Township, heavily populated and containing one

Harry D. Evans

large, unincorporated area, is entitled to the full-time service of its constable. These services I propose to give, with complete impartiality. Realizing the value of the sheriff's office, and the highway patrol, I shall seek cooperation and aid from those sources at any time such aid is indicated. In cases where the problems of young people are referred to me,

they were: Janet Abilgaard, Mardel Sanders, Verna Jean Miller, Jean Richardson, Katherine Bower, Patty Powell, Janis Henley, Louise Lobrovich, Bernice Robertson, Mary Lou Kline, Ethel Ann Oesser, Donna Fossum, Dorien Frank.

Hostesses for the day were the fourth grade students, with Mrs. Anna Smith's high fourth grade taking the prize for having the largest percentage of mothers present.

Statement by
MARTIN S.

WALSH

Candidate for
JUSTICE OF THE
PEACE

In seeking the office of Justice of the Peace of Campbell Township I want it known that my candidacy is independent of any association with any other candidate or association with any political group.

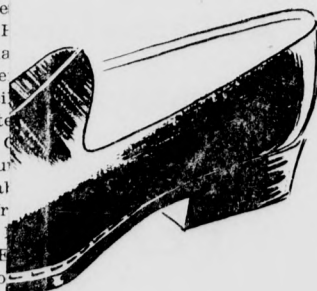

My years of legal experience in the practice of the law in the courts of this state have provided the essential requisites necessary to enable your township judicial officer to properly conduct the affairs of the court and to properly adjudicate the legal problems arising in the township.

The administration of the laws will be just and equitable to all persons with a firm recognition of the inalienable rights of every individual, with equal justice to all and special privileges to none.

Respectfully,
MARTIN S. WALSH.

INCORPORATION

It seems that after many years of discussion, there is a
strong movement afoot toward incorporation. This is a
healthy sign in a town that is growing like Jack's Bean-
stalk.

Those members of the community, including The Camp-
bell Press, who are wholeheartedly in favor of incorporation
would like to see Campbell take charge of its own destiny.

As an individual reaches maturity and makes his own
decisions and chooses his own way, so should a community
guide its own present and future.

Incorporation, we believe, is the first step in planning
wisely and to the advantage of all for the future of Campbell.

WALLGREN AND LUMBER

WASHINGTON.—Lumber price
ceilings topped the agenda of the
President's conference the other
day with his old friend Gov. Mon
Wallgren at Washington.

However, Wallgren also took oc-
casion to invite Truman to spend
a vacation this summer in the
northwest aboard the presidential
yacht.

"The people of my state
would be delighted to have you
as a guest, and you can also
take a trip up to Alaska on
the Williamsburg," Wallgren
told him.

Truman accepted tentatively,
saying he would go if he could
possibly make it.

Wallgren's main business, how-
ever, was to strongly urge an in-
crease in the price ceilings on
lumber. He maintained that this
was necessary in order to increase
lumber output for the housing
program.

"We are facing a serious job
crisis in our lumber mills, Harry,"
said the Washington governor.
"We have a model unemployment
compensation law in my state, but
many unemployed workmen are
swiftly using up the 26 weeks they
are entitled to draw as compensa-
tion. Both from the labor stand-
point and the housing shortage,
inventories in our mills must be
built up as quickly as possible."

'DLE WAR PLANTS

Governor Wallgren also urged
the sale of government-owned
light metal plants, now idle in his
area, to private operators as an-
other means of increasing employ-
ment. Two idle plants in question
are the Aluminum Rolling mill
and the Aluminum Ingot compa-
nies at Spokane, operated by Alcoa
during the war. Henry Kaiser
wants to buy the former for the
production of aluminum-built au-
tomobiles and pre-fabricated hous-
ing.

Wallgren told Truman that the
lumber situation has been aggra-
vated by a neat little device of
certain big timber outfits, includ-
ing the Weyerhaeuser interests,
which, calculatedly or otherwise,
has been stifling competition. Un-
der the Washington constitution,
the state government must sell
timber to the highest bidder, but
some big outfits have been bid-
ding over the price ceilings. This
causes all bids to be thrown out.
The President said he would
talk to the RFC about the plants,
but suggested that Wallgren
thrash out his lumber price prob-
lems with price control boss Ches-
ter Bowles.

BUTTER BLACK MARKET

The office of international trade,
now under the commerce depart-
ment, is planning to ask U. S.
customs officials to investigate
some strange shenanigans in the
re-sale of butter this country has
been exporting to Mexico.

Despite the serious butter
shortage, which has caused the
American housewife to turn to
substitutes and jam for her ta-
ble, we sent 5,500 pounds of
butter to Mexico in the last
quarter of 1945.

Some of this is now winding up
at Tijuana, the Mexican resort
town across the border from San
Diego, where the butter is being
sold to American tourists for the
fabulous price of \$1.25 a pound.

Under export price ceilings, en-
forced by the OPA and the de-
partment of commerce, this same
butter was sold to Mexican dealers
at from 47 to 49 cents a pound.
The price varies a couple of cents
a pound, depending on the type of
packaging.

In other words, we are now buy-
ing back American-made butter
from Mexico for triple the price
Mexican dairy dealers are paying
us for it. Commerce department
officials can only guess how much
smuggled butter may be involved
in this cross-border black market,
but the customs office will be
asked to make a thorough probe.

NOTE.—Mexico is also one of
our biggest purchasers of ex-
ported nylon stockings. Out of a
total of 9,110 dozen pairs of
nylons exported in November—
the last monthly figures availa-
ble—Mexico bought 5,010 dozen

CAPITAL CHAFF

One reason for the current in-
ternational food shortage is that
Leo Crowley, when FEA boss, re-
fused to heed the warning of Sec-
retary of Agriculture Anderson
last summer, when Anderson
agreed that FEA should help in-
crease plantings of winter wheat,
cereals and proteins in South
America. The South American
crop was hit by drouth, or it
might have been larger.

Sen. Tommy Hart, the only ad-
miral on the Senate military af-

committee members if there were
a dictaphone in the walls. He
complained that the Washington

all too accurately when, at a se-
cret session, he defended the war
department regarding demobili-
zation. . . . Rep. Clare Hoffman
of Michigan, who considers himself
an expert at anti-labor legisla-
tion, was miffed because he was
not consulted in the writing of
the harsh Case bill passed by the
House recently.

Country Woman's Club Entertains

Over 100 were present for the gala dinner and costume party with which the Country Woman's Club entertained their husbands Monday evening at the Woman's club. Large characters from the funny papers, drawn by Ray Flagg, decorated the walls and gay rag dolls perched on the mantel among the greens. Guests wore costumes representing familiar funny paper personalities.

First prize for the costumes was awarded to "Mr. and Mrs. Rastus Brown" and second prize to "Grandma Bailey" and her little boy. "Gracie" with the red rose in her hat received the booby prize.

A feature of the evening's entertainment was a musical skit presented by "The Fototlighters" entitled, "We'll Have to Mortgage the Farm".

Committee members responsible for the evening were Mesdames O. C. Jensen, H. G. Brasch, H. F. Evans, Klaude Block, D. W. Ribble, J. C. McBain, Roy Stoner, Vernon Suess and Ernest Fahler.

The next regular meeting on March 18, under the direction of Mrs. A. W. Johnson will feature a garden program with a speaker from Elliott's Nursery. A board of directors is scheduled for Monday, March 11, at the home of Mrs. Carl Field, president, at 2 p. m.

Ruth Comfort Mitchell Speaks

The grammar school PTA unit completed its successful year under the leadership of Mrs. John Perata, with a program featured by Ruth Comfort Mitchell, well-known speaker and writer of Los Gatos, who discussed character development through active participation in youth activity groups. The need of adult guidance in these youth projects was also pointed out. The speaker was introduced by Miss Helen Stray, Camp Fire Girls guardian and chairman of the day.

Preceding the program, officers for the 1946-47 year were elected. They are: president, Mrs. J. W. Knowles; 1st vice-president, Mrs. William Pfeffer; 2nd vice-president, Mrs. Wayne Lenz; 3rd vice-president, Mrs. Herbert Binlay; secretary, Mrs. W. L. Powell; treasurer, Mrs. Robert Rees; historian, Mrs. C. Lester Ackerman.

Also on the program for the day was a tumbling act by boys of the 7th and 8th grades under the direction of Art Tindall, instructor. Taking part in this were: Jack Williams, Robert Lineberry, Sherman Bowden, Roy Nelson, Clarence Gray, Walter Burrows, Bill Lewis, Tom Barton, Ray Williams, Dan Livesey, Salvador Butera, Gerald Gilliam, Ed Thompson, Frank Castagnola.

The girls of these classes presented a schottish folk dance and a square dance, "Dive for the Oyster". Included in these dances were: Jerralie Plessner, Gloria Buckmaster, Alice Enderton, Janet Franceschini, Jill Garner, Colleen Pine, La Von Scott, Charline Paulus, Patty Pomeroy, Sally Seacord, Geraldine Hegg, Margaret Robertson, Pat Hitchman, Mary Caringella, Sherrill Chamberlain, Joline Howard, Marie Ratledge, Jacklyn Almada, Shirley Preble, Ella Holland, Frances Hollingshead, Pat Hansey, Loretta McKee, Adaline Fillmore, Joan Arnold, Virginia Cross, Lucille Ely, Doris Burrows, Betty Fujimoto.

Mrs. Frank Richardson's Camp Fire Girls gave a skit showing Camp Fire goals. Participating in the play were: Janet Abilgaard, Mardel Sanders, Verna Jean Miller, Jean Richardson, Katherine Bower, Patty Powell, Janis Henley, Louise Lobrovich, Bernice Robertson, Mary Lou Kline, Ethel Ann Oesser, Donna Fossum, Dorian Frank.

Hostesses for the day were the fourth grade students, with Mrs. Anna Smith's high fourth grade taking the prize for having the largest percentage of mothers present.

PEACE

In seeking the office of Justice of the Peace of Campbell Township I want it known that my candidacy is independent of any association with any other candidate or association with any political group.

My years of legal experience in the practice of the law in the courts of this state have provided the essential requisites necessary to enable your township judicial officer to properly conduct the affairs of the court and to properly adjudicate the legal problems arising in the township.

The administration of the laws will be just and equitable to all persons with a firm recognition of the inalienable rights of every individual, with equal justice to all and special privileges to none.

Respectfully,

MARTIN S. WALSH.

Missionary To Speak at Methodist Church

The Rev. Robert C. Eaker, missionary of the Methodist church in charge of the denomination's work in Costa Rica, Central America, will be the guest speaker at the Campbell Methodist church on Thursday evening, March 14, at 8 p. m., at the monthly meeting of

the Rev. Robert C. Eaker

the Women's Society of Christian Service. Mr. Eaker will tell of his experiences as pastor, superintendent, builder of churches, teacher of a Bible training school, and traveller over a wide circuit across the isthmus.

Mr. Eaker, together with Mrs. Eaker, who is a trained nurse, has been a missionary in San Jose, Costa Rica, since 1939. Speaking of his activities in this Latin city and land, he said recently: "The youth work, vacation schools, special night classes, organizing the churches and moving toward self-support, have been worthwhile projects and have given good results. New converts have been won for Christ and the door is open for an intensive evangelistic campaign throughout the two countries (Panama and Costa Rica). Our four young people studying in Mexico are doing well. They have adjusted to separation from family, friends, and country which has been no easy task for young people in their teens never before away from home. They are preparing for Christian service in Costa Rica. Four years ago we had no young people enrolled in secondary schools. Today, due to special effort with the parents and limited scholarship aid several young people are now in high school preparing themselves for a more useful life.

Los Gatos To Have Hotel

Of interest to the entire area is the news that a small hotel is planned for the undeveloped part of the Little Village in Los Gatos. The Effie Walton real estate office announced that Johnson and Whitestone will build the structure which will be a deluxe type.

Heavy equipment is now at work dredging and moving dirt so that the course of the creek will be changed and will pass through a concrete flume.

Legion Auxiliary Meets

The regular meeting of the Campbell American Legion Auxiliary was held Wednesday evening, Feb. 27, in the Country Woman's club room, with the president, Gertrude Wood, presiding.

During the business session, money was donated to buy clothing for the destitute children in Saint Die, France. Another donation was voted for the Ethel Flynn Memorial Fund—a nursery in conjunction with the Hostess House at Livermore.

The unit decided to send a girl to "Girls' State" this summer, the girl to be selected by the school. This is the same as "Boys' State" to which the Legion sends a boy each summer.

Several candidates were initiated, and a large class will be ready for initiation in the near future. A new drill team is practicing, and will assist with the initiations, adding much to the attractiveness of the ceremony.

March 13 the Auxiliary will be the guests of the Legion at the IOOF Hall. At this time, the charter will be presented to the Sons of the Legion. All members of the Auxiliary are urged to attend.

Rites Held For Campbell Youth

Funeral services were conducted yesterday for Herbert Horton, 19, who died Monday at the County Hospital of injuries received Sunday evening when his motorcycle and an automobile driven by William Weeks, Winchester Road, collided.

Interment at Oak Hill Memorial Park followed the last rites at the Rutherford Funeral Home.

Although only 19 years old, the Campbell youth had served in the Navy for three years. He was a member of the American Legion, Campbell Post 596, and also a member of the American Veteran's committee.

He is survived by his parents, Mr. and Mrs. W. D. Horton, Winchester Road; two sisters, Mrs. Alberta Ferebee of Huntington Beach, and Shirley Ann Horton of Campbell; a brother Jerry Horton, Campbell; and his grandparents, Mr. and Mrs. H. H. Stuckey, also of Campbell.

Sand and gravel excavated from San Francisco's Union Square were used to construct 100 feet of new beach at Aquatic Park.

Politeness is the flower of humanity.—Joubert.

Writer Of Railroad Stories And Switchman On The Western Pacific Railroad Campbell Resident

By STOOKIE ALLEN

GILBERT A. LATHROP IS THE THIRD GENERATION OF A RAIL FAMILY. AUTHOR OF A DOZEN STORIES IN THIS MAGAZINE IN THE LAST 5 YEARS.

HIS FATHER, LEWIS R., HIRED OUT IN 1881 ON D. & R. G. WHEN IT WAS ALL NARROW GAGE BETWEEN DENVER AND SALIDA, COLO. TODAY HE IS THE OLDEST ACTIVE HOGGER ON THE D. & R. G. W., AGED 71, HAS CLEAR RECORD AND HOLDS THE ROAD'S BEST PASSENGER RUN.

GILBERT WAS BORN MAY 26, 1895, AT CIMARRON, COLO., WHERE MOTHER WORKED IN A RAILROAD BEANERY. IN 1914 HE WENT TO WORK IN D. & R. G. W. ROUNDHOUSE AT GUNNISON, MARRIED ALICE OSBORN IN 1916, TRIED FIRING AND BRAKING, PROMOTED TO CONDUCTOR IN 1924.

G.A. LATHROP LIVES IN GUNNISON, HAS 3 CHILDREN, AND IS EAGER TO LEARN WHAT HAPPENED TO HIS UNCLE, GAIL LATHROP, WHO RAN ENGINES OVER MARSHALL PASS, OUT OF SALT LAKE CITY, AND IN OLD MEXICO.

NOW OFF THE BOARD, BUT IS WRITING FOR RAILROAD STORIES, THE BROTHERHOOD JOURNALS, CANADIAN NATIONAL RYS. MAGAZINE, ETC. WROTE A BOOK, "WHISPERING RAILS," TO BE PUBLISHED IN JAN., 1936.

LEWIS R. LATHROP

HIS TWO BIGGEST THRILLS WERE JUMPING FROM THE CAB OF THE NARROW-GAGE 216 WHEN COW DERAILED HER NEAR SALIDA, AND TYING DOWN BRAKES ON A RUNAWAY ON 4 PER CENT GRADE ON A DARK NIGHT AT 40 BELOW ZERO.

THE 216 DERAILED BY A COW

The above picture and biographical details concern Gilbert A. Lathrop at the time he was living in Gunnison, Colorado. Now he lives quietly in Campbell, working every day on the swing shift for Western Pacific Railroad as a switchman, and in his spare time turning out stories for Railroad Magazine, Collier's, American Boy, Canadian National Railways Magazine, and other periodicals.

At his pleasant Winchester Road home, Lathrop has four bound volumes of his published magazine articles. In addition to being a prolific writer he is also versatile. Although his main writing interest lies in railroad stories, he is an authoritative writer on animals and birds and has also contributed to the school book series, "Reading is Fun".

Another interest is wild mushrooms and the various varieties of them about which he has written a handbook.

His book, "Whispering Rails", was published in 1936, and his large group of followers are eagerly awaiting the publication of his next full length novel, "Bad Men of the Cimarron", to be published soon in Railroad Magazine.

Lathrop claims that it was "just luck" that he sold his first efforts, but he discounts his ability and his keen knowledge of his subjects. He started writing as a hobby in 1928, but the hobby grew to such an extent that he gave up railroading, moved to Campbell and devoted himself to writing.

An old railroading man can't stay away from it though and Lathrop went back during the war both because he was needed and because he wanted to. "It's not good for you to sit around all the time hunched over a typewriter," he said. "Gives a person dyspepsia."

The railroading tradition is strong in the Lathrop family for Lathrop's son is working for the Southern Pacific, the fourth generation in the family to choose the railroads.

A daughter, Mrs. Lorraine Mc-

Kenney, also of Campbell, is interested in writing and is being encouraged by her father to follow in his footsteps. Another daughter, Mrs. George Shaeffer, lives in Colorado.

In between turning out a large amount of fiction and fact and keeping the freight moving, Lathrop finds time to maintain a small orchard, a large vegetable garden and to grow berries and flowers. The Lathrops also have on their place chickens, ducks and rabbits. "Mrs. Lathrop keeps me well fed," he says, "that's how I do it."

The March issue of "Railroad Magazine", which is just out, carried one of Lathrop's latest novellettes, "Home-Guard Pike".

The Farallon Islands, 32 miles off the Golden Gate, have been a part of the City and County of San Francisco since 1872.

NATURAL GAS USERS**

**Living costs have gone up and UP,
Natural Gas—down and DOWN**

Since August 1939 the cost of living here has gone up 35 per cent. In this same period of rising costs the average price of Natural Gas in your home has dropped 33 per cent.*

*This 33 per cent includes the 10.3 per cent Natural Gas rate cut effective after February 28. There were other Gas Rate cuts in August 1939—in October 1940 and in February 1943.

At the new reduced rates, the cost of Natural Gas is more than one-third LOWER than it was in August 1939, while general living costs are one-third HIGHER.

For example: Most any household item that cost \$3.00 in 1939, now costs \$4.05—BUT an amount of Natural Gas that cost \$3.00 in 1939 now costs only \$2.00.

It is a tremendous job to keep ahead of Northern California's growth and demand for low cost Natural Gas. It takes an experienced organization and a lot of money. But your gas company is going ahead earnestly and eagerly in the American spirit of giving the public more and better service than ever before.

Campbell Resident**

Death last Thursday claimed Paul Edward Ruyle, 150 Dillon. Funeral rites were conducted Monday at 2:30 p. m. at the Rutherford Funeral home, Winchester Road, with interment at the Santa Clara City cemetery. B. H. Little, minister of the Church of Christ, officiated at the services.

The deceased man had been an invalid for many years following a coal mine accident.

Ruyle is survived by his wife, Effie Ruyle and four children, Frank, Ruth, Burley, and Charles. He also leaves a brother, Harry Ruyle, in Shady Point, Okla., and a sister, Mrs. Amy Baxter, in Spiro, Okla.

Women's Service Club Meets

The regular monthly meeting of the Campbell Women's Service Club was held at the home of Mrs. Guy Farley on Alice Ave., on Feb. 27. Mrs. Helen Robertson and Mrs. Claudine Hancock were assisting hostesses.

Mrs. M. Brown of the Home Service department of the Red Cross gave a most interesting talk stressing the work the Red Cross is doing to aid returned veterans and urging continued support of the Red Cross.

The next meeting is to be a pot-luck dinner at noon on Saturday, March 23. The meeting place will be announced later.

**Olga Corvino and
Charles Tidd Wed**

At 2:00 o'clock, Sunday, Feb. 24, in "The Little Chapel of the Flowers", Berkeley, Miss Olga Corvino of Oakland, was escorted down the aisle by her uncle, Joseph De Biasi, to become the bride of Charles Raymond Tidd, eldest son of the deceased Raymond Tidd and Mrs. Elsie Tidd Meredith of Oakland. Matron of honor was the bride's sister, Mrs. Rena Lenz. The benedict's best man was Jerry Lenz, brother-in-law of the bride. The two ushers were Vincent De Biasi and Robert Lenz.

The reception was held at Glenview Women's Club in Oakland and attended by 150 guests.

The bride's suit was beige with brown accessories and she carried a bridal bouquet of orchids and white bouvardia.

A pale pink suit was worn by the bride's attendant and she carried a bouquet of pink bride's roses.

Mrs. Earl Russell, mother of the bride, wore a dark brown dress-maker suit and Talisman roses.

The benedict's mother, Mrs. Irwin Meredith, was attired in a light brown dressy suit with blue accessories and wore a corsage of Talisman rose buds.

The bridegroom's grandmother, Mrs. G. A. Dahms of Campbell, wore her golden wedding dress of soft blue crepe and her corsage was of orchid carnations.

The happy couple were the first grandchildren to use the bride and groom decoration of the golden wedding cake of their grandparents, Mr. and Mrs. G. A. Dahms. After the reception the couple left for a honeymoon at Highland Inn, Carmel.

They will reside in Oakland, where the groom will attend a school for veterans.

Engagement Revealed

The engagement of two San Jose State students was revealed at the Phi Kappa Pi sorority when Miss Elsie Hunt, daughter of Mr. and Mrs. Harold G. Hunt, announced her betrothal to Glenn Du Bois, son of Mrs. Alma Du Bois of Campbell.

No date has yet been set for the wedding. The future bridegroom, a graduate of Campbell High school, has recently been discharged from the Army Air Force in which he served as a B29 pilot for more than two years. Last spring he completed 35 missions over Germany.

Stage Star Appears Monday

The appearance in San Jose next Monday night, March 11, of the matchless Elisabeth Bergner in her two-season New York success, "The Two Mrs. Carrolls", is the most exciting dramatic event

Elisabeth Bergner

since Helen Hayes in "Harriett". Rarely is so great a star seen on the coast. "The Two Mrs. Carrolls" marks Miss Bergner's second appearance in America, the London and Paris stage having claimed her since the war, while before that, she was the idol and leading star of the Berlin theater.

When Miss Bergner returned to America for her second appearance on the New York stage, Brooks Atkinson of the New York Times, declared that Congress should pass

a law keeping Elisabeth Bergner in the United States, while Vanity Fair nominated her for the Hall of Fame.

Elisabeth Bergner is costumed by Hattie Carnegie, and has six changes during the four acts.

Paul Robeson Sings Tonight

A capacity audience will greet the famous Paul Robeson tonight when he appears as the seventh event of the San Jose Concert Series in the Civic Auditorium. Such favorites as "Deep River", "John Henry", and "Water Boy" are promised either as encores or on the regular program.

Fulton Lewis Speaks Tomorrow Night

Fulton Lewis Jr. appears in person tomorrow evening, March 8, in the San Jose Auditorium, presented by the Loyal Knights of the Round Table. Mr. Lewis will discuss "Democracy With a Gun in Her Ribs", and a large number of nightly listeners on the radio are eagerly looking forward to hearing the fearless commentator in person.

Lewis was born in the District of Columbia, but has established voting residence, as an independent, affiliated with no political party, in Maryland.

Reserved and unreserved tickets are still available and may be secured from the auditorium box office.

Theater Planning Added Attractions

Both a midnight show and a special kiddie show are scheduled for the Campbell theater in the near future. Saturday evening is the time set for the midnight attraction which will feature a "horror" picture entitled "Dr. Terror's House of Horrors", adapted from stories by Edgar Allen Poe and Robert Louis Stevenson. It deals with vampires, voodoo rites, zombies and ghouls.

Time magazine reports that, in Manhattan, a theater audience shuddering at this picture was not too much surprised when 200 square feet of plaster ceiling ripped loose and crashed on orchestra customers' heads.

On Saturday, March 16, the theater will present a bill especially designed to please the children. In addition to the weekly serial there will be a number of favorite cartoons including Pluto's Dream House, Window Cleaners, Goody's Glider, The Little Whirlwind, Tree Surgeon, Happy Go Nutsy, The Body Guard, Bear Raid Warden, Hullahaba Lula, We Are On Our Way to Rio, Henpecked Rooster, and Goodnight Rusty.

Painters have recently completed a redecoration of the theater, both inside and out. The foyer has been done in a modern decor and the outside brightened.

EVERY NIGHT 'TILL 12

"ALTHOUGH it experienced an exceptional growth throughout the war years, our company did not profit from the war. The tabulation . . . comparing the year 1945—the end of the route to Tokyo Bay—with 1939—the year in which ominous war clouds cast their impending gloom—vividly portrays, not only what our company's expansion has been throughout the years of its war effort, but also the impact of this expansion on its major operations.

"The phenomenal development of the Pacific Coast with its tremendous strides in commerce, industry, military and naval activities has placed, and will continue to place, exacting demands upon our company. With the nationwide interest in this far-flung section with its rapidly expanding markets and its outstanding growth potentialities, our company will experience in the immediate years ahead, as they are now visualized, an unprecedented expansion.

"Our immediate task ahead is to render service to all who want it and to restore and to take our service to new heights. As it announced December last, in the immediate five-year period our company will be required to make expenditures for new construction aggregating \$400,000,000 and, as a consequence, extraordinary amounts of new capital will be required. The execution and speed of this entire program are dependent upon the flow of available manpower, materials, money and the level of business conditions. The consummation of the program for 1946, now well under way, will require, it is estimated, an all-time high expenditure of upwards of \$90,000,000 for new construction. This compares with the \$35,800,000 expended in 1945. Inclusive of materials re-used, the gross plant additions for 1946 are estimated at well over \$100,000,000. This expenditure will be more than double the 1945 gross plant additions of \$48,791,000.

will take men, materials and money. Our program will offer employment opportunities to many men and women not only in the manufacture, construction and installation of the added plant, but also in the maintenance and operation of a continuously improving and expanding service. Our vast undertaking will require for its accomplishment earnings that are sufficient to attract the huge sums of new capital needed. Expressing as it does a fundamental significance to every city, town, village and hamlet throughout the Pacific Coast, the consummation of our unprecedented program will result in increasing the plant investment of our company by almost 50 per cent, bringing its total plant investment to an amount aggregating upwards of a billion dollars.

"The era of tremendous expansion that our company has now entered places responsibilities of the first magnitude upon our management. We go forward with a firm faith that a telephone service rendered well will continue to be well received. In our company's following out its established

policy—to furnish the best possible service; to render the service as economically as possible; to charge for the service only an amount to keep our company financially vigorous—it is of vital importance that its earnings be such that they will continue to attract the necessary amounts of new capital needed to accomplish these objectives. Earnings that are adequate are in the public interest, because earnings that are less than adequate necessarily jeopardize the efficiency and the scope of the service. Thus, our company and the public it serves have a common interest. In full recognition of that interest, the charges for the service rendered should reflect a fair treatment policy expressed in rates which, at all times, will be such that sound economic considerations will prevail in the interest of all parties—the patrons, the employees and the investors.

"A successful nation is a prosperous nation. In order to increase and to sustain the production which is vital to that prosperity, business and industry must, of necessity, prosper as must their personnel who, through the dedication of individual effort, contribute to the forward march of America. This fundamental concept, the recognition of the dignity and worth of the individual and the value of free enterprise, with equal opportunity for all—the American way of life—has produced the highest standard of living among all peoples. Progress has been the measure of the welfare of our great Nation—it will be the earnest endeavor of our company, as it has been in the past, to render a communication service, which through its scope, efficiency and dependability, will continue to make its full contribution to that progress."

CHRISTIAN CHURCH

The subject of the Christian Science Lesson—Sermon for March 10 is "Man," with the Golden Text from Psalms: "The steps of a good man are ordered by the Lord and he delighteth in his way" (37:23).

The following citations are taken from the sermon:

Matthew 4:23: "And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of sickness and all manner of disease among the people."

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Truth and Love enlighten the understanding, in whose light shall we see light; and this illumination is reflected spiritually by all who walk in the light and turn away from a false material sense" (p. 510).

Beals To Make Home in Arizona

The departure of Mr. and Mrs. Ira A. Beal for Tucson, Arizona, where they will make their home is being regretted by their host of Campbell friends. The Beals, who have been residents of Campbell since 1910, will be accompanied south by their son and his wife, Mr. and Mrs. Laurence H. Beal. They plan to leave within the month.

Col. and Mrs. J. L. McBride of Berkeley, have purchased the Beals' home on the Santa Clara-Los Gatos Road, and will be joined there by their daughter and son-in-law, Mr. and Mrs. Atkin, and their four grandchildren. Col. McBride is a retired army chaplain who has seen 28 years in the service, the last of which has been in the Philippines and Alaska. The McBrides plan on naming their new home "The Peppers".

Entertaining in honor of Mrs. Beal on Feb. 19 was Mrs. George Kreig, Santa Clara-Los Gatos Road, who with her guests surprised Mrs. Beal with the party and presented her with a cretonne bedspread and matching rug for the new adobe house planned for Tucson. Arranged about the house were clusters of cactii and acacia branches. Also as a surprise for Mrs. Beal was a large cake decorated with sugar cactii. Among the guests present were Mesdames Ruth Robison, Margaret Smith, Julia Rodgers, B. O. Curry, Ethel Vaughn, L. Davis, William Frazer, Fred Stevens and Ada Miller.

On Sunday Mr. and Mrs. Beal entertained friends at an open house and later showed moving pictures. Present during the day were Mr. and Mrs. Laurence Beal, Mrs. Beal's brother and wife, Mr. and Mrs. Melvin Bacigalupi and their small son Larry. Mrs. Beal's sister, Mrs. John McGovern and small daughter, Susan, all of San Francisco; Mr. and Mrs. Wilbur Mitchell and their son, Gordon, of Campbell; Mr. and Mrs. Paul Loback and baby; Mr. Jack Joachim, recently returned to Campbell after four years in the service in Italy, France and Germany; Col. and Mrs. J. L. McBride and Mr. and Mrs. Atkin.

Malone Sons Are Home

Mr. and Mrs. C. Malone, 180 Kennedy Ave., have recently welcomed home from the service their two sons, James and Norman Malone. Both sons, now discharged, saw overseas service, one in the Army and one in the Navy.

Lieut. James Malone, in the Army for four years, served in the infantry, and saw duty in Australia, British New Guinea, and Dutch New Guinea.

Before entering the service he was employed by Western Electric and is now connected with the Bank of America in San Jose; he and his wife, the former Trudy Stone of Sheffield, Alabama, have purchased a home at 61 Dillon Ave.

Norman Malone, former Boat-swain's Mate 2/c, USN, served for more than three years and was in both the European and South Pacific theaters. His last ship was the USS Birmingham.

A veteran of 10 major engagements, he was awarded the Purple Heart medal with a gold star, the Philippine Liberation ribbon with 1 star, the Asiatic-Pacific with 7 stars, the American Area ribbon, European African medal with 2 stars, the Good Conduct and Victory ribbons.

He attended Campbell Union High school before entering the service and is now at home with his parents.

Congers at Home in Campbell

Mr. and Mrs. E. V. Conger (Jane Taylor) and their small daughter, Patty, are at home in Campbell at Rte. 2, Box 271A, following Mr. Conger's discharge from the Navy after six years service. He plans on re-enlisting soon.

ADAPTED FROM THE FAMOUS HORROR STORIES by Edgar Allen POE and Robt Louis STEVENSON

IT'S GHASTLY-IT'S HORRIFIC-IT'S OUT OF THIS WORLD!

Box Office Reporter

There's a bill of fare at the Campbell Theater this week to please every type of palate. For creepy, horror addicts the mid-night show on Saturday night will be a "must". Adapted from horror stories by Edgar Allen Poe and Robert Louis Stevenson, the picture called "Dr. Terror's House of Horrors", features zombies, vampires, ghouls, voodoo rites and other ghastly "things" guaranteed to chill the blood. Coupled with the terror picture is a comedy entitled "Trouble or Nothing".

During the week, picture goers will have a chance to see that all-time favorite, "Private Hargrove". Many who saw this before will want to see the engaging character of Private Hargrove again.

Those who follow the mystery best-sellers have been waiting for "Then There Were None", also coming next week.
